

# Cyberbullying

Here's what to  
do when your

getting

Cyberbullied

# What you should do

(1) If someone sends you nasty emails or pictures or stuff like that block them or report them.

(2) If someone is your friend online and ask you for private information block them or unfriend them.

(3) If one of your friend is being cyberbullied or you see someone get cyberbullied tell an adult or your teacher.

No more  
cyberbullying

# What you shouldn't do!!!

(1) If someone is cyberbullying you don't reply it will make things worse!!

(2) If your getting cyberbullied you can't just sit down and let them bully you you'll have to tell an adult or report them.

(3) Never accept deals online because they will be frouds and they can hack you!!!!

Lastly here's a video  
about cyberbullying

Thank you for  
listening
